NOTICE

IN RE: COVID-19 (Corona Virus)

In order to reduce non-essential traffic, the District Clerks Office will suspend the issuing of US Passports. This is effective immediately and until further notice.

We plan to continue to provide the services relative to litigation by working with the Navarro County Court at Law and the 13th District Court.

If you need copies or information from the District Clerks Office, contact us by phone at 903-654-3040. The office door will be locked, but someone will be here to provide assistance to the courts. We are only limiting our public interaction.

Attorney General hearings and all jury calls have been cancelled as well, until further notice.

Thank you for your understanding during this time.

Please contact me if I can be of assistance.

Thank you,

-JBT
