RE: Spring Break 2020

Dear Counsel and Litigants:

Many of the school districts (both public and private) have issued directives extending spring break. Having conferred with Judge Putman and considered the joint emergency order issued yesterday by the Texas Supreme Court and the Texas Court of Criminal Appeals, we believe the Standard Possession Order under the Texas Family Code follows the originally published school calendar of that school district.

In closing, Judge Putman and I will continue to work with Judge Billy Ray Stubblefield in combination with implementing the joint emergency order to see that the courts can continue to conduct hearings all the while protecting all of us from the coronavirus (COVID-19). Thank you for your patience and understanding during this difficult and uncharted territory we find ourselves in not just in the legal community but our nation as a whole.

Respectfully,

A handwritten signature in blue ink, appearing to read 'J. Lagomarsino', is written over a horizontal line.
